

Rochester Juniors Soccer Club

2019 Season

Website: www.rochesterjuniors.soccer

a coed recreational soccer program, without the emphasis on travel

all games played at

school #28

...where having fun, developing life skills and learning good sportsmanship, are more important than winning!

Boys & Girls, grades 1-6
Starts May 14, ends July 27

a bargain at only \$40

Early bird registration is \$35, before March 31.

Late registration fee of additional \$5, after April 30.

You may copy and hand out this flyer to others.

The club is supported by the City of Rochester Department of Recreation and Youth Services (DRYS) and the Rochester City Soccer League. The club is **run by volunteers**. The soccer sessions will be held **outdoors, behind school #28** (between Humbolt Street and Atlantic Avenue) **starting at 6:30 pm**. We play small sided games with mixed teams of both girls and boys, with 4 to 6 players per team on the field at one time (***we play without goalies***).

Over the past several years, the national trend has been to increase the size of the soccer fields. But, we are a recreational club and are doing just the opposite. **Our playing fields are smaller (28 yards by 32 yards)** and allow the kids to run the distance much easier, than playing on a much larger field. The game is faster and more enjoyable for the players and spectators.

We have two divisions; **Lower** (grades 1-3) plays games on Tuesday nights and **Upper** (grades 4-6) plays games on Thursday nights. An end-of-season picnic is being planned at the **Tay House Lodge**, (Cobb's Hill Park) along with the handing out of participation trophies.

Registration: The club is trying out a new registration process that will be partly run by Dick's Sporting Goods. This will allow for credit card payments. **Go to our website to register** or to download an actual copy of the registration form. Your registration fee covers the cost of insurance, field equipment and a uniform shirt.
